Our Ethos

Our driven and bright young students wouldn't be on their way to academic success without our team of exceptional tutors. We discover the strengths of each pupil, and encourage them to follow an educational journey that truly fascinates, encourages and drives their full potential.

"Carfax is well known in education and they have lived up to their excellent reputation."

Carfax Tutor Testimonial
Good Schools Guide

We are reliant on our tutors to deliver quality teaching, and always hold out a hand of support to each and every student that joins Carfax Education.

Why work with us

Tutoring is a flexible and rewarding job, where you truly make a difference to a child's learning. If you have a passion for a particular subject and accreditation to match, tutoring is a fantastic profession.

We take care of our tutors, as we believe it's important to nurture the person that can guide, support, inspire and teach a child.

Our employment packages include a collection of benefits; from paid accommodation to private healthcare, you will also have the independence and training to develop practical skills, useful in whichever direction you choose to develop your career.

Apply

"I joined Carfax when I was straight out of university and I thought it would be a fantastic time to explore some really cool places, so I jumped at the chance."

Apply Today

While we welcome tutors for all subjects, we are particularly interested in tutors in the following subject areas: **Biological, Physical and Natural Sciences, Maths, and Computer Sciences.**
